

COOLANT EXTRACTOR MAINTENANCE KIT

QUICKLY & CLEANLY CHANGE OUT YOUR COOLANT SYSTEM

Kit extracts, stores and injects clean coolant back into your coach while eliminating any trapped air that could be harmful to your engine.

- Save money by re-using your coolant, no contamination.
- Improve shop conditions and safety, no messy buckets, funnels or spills.
- Easy to operate saves time draining and filling your system.
- Adaptable to any engine type with our *cooldrain* style quick disconnect fittings.
- Available in two sizes, 18 & 30 gallon capacity.

This system will save money on coolant and time. Coolant is kept safe and clean while you perform service on engine components such as EGR valves, EGR coolers, water pumps and hoses.
