- Create a powerful airflow and cross breeze with our new durable low profile fan.
- Combination roof/ventilator emergency exit gives you air ventilation and a simple release handle that allows the hatch to hinge open for emergency exit.
- Fan extracts condensation, stale or hot air from inside the coach to improve overall passenger comfort.
- Constructed of high strength UV stable materials, made in the USA.
- This emergency fan hatch kit will come in two separate colors to match your existing interior. You can purchase these kits in grey/beige.
- Fan works with the hatch closed.
