PREVOST

The ultimate class.

Send Them on the Road in a Prevest...

BUILT FOR TOURING, THE WAY YOU WANT IT

A Prevest entertainer motorhome is designed and built to perfectly suit the individual needs of touring performers. Travel is luxuriously comfortable and relaxing, and Prevest's proven reliability alleviates concerns about reaching the next venue on time, rested and ready. Everything is considered, like generous space, isolation from exterior noise, specialty equipment, optimal light and temperature control, plenty of storage and cargo space, and a strong, level platform. All this and more is built into a Prevest specialty conversion vehicle – the absolute best.

GOOD LIFE ON THE ROAD

Rest, relax, have fun, be creative, rehearse – it's all possible in your Prevest conversion during trips between engagements. You travel in a luxurious space for living, with the comforts and convenience of home. Your entertainer conversion is designed and built with the amenities that allow you to make the best possible use of your time out of the spotlight – any combination of activities that is right for your lifestyle, and your personal and professional needs.

You can be accompanied by whomever and whatever makes the journey pleasurable and worthwhile. It can mean traveling alone, or with your family, friends, your group, or your staff and colleagues. The space versatility and careful attention to detail in designing and building a Prevest entertainer conversion makes it all possible.

ULTIMATE-CLASS DRIVING

Prevest motorcoaches are widely recognized by professionals for their outstanding vehicle dynamics, excellent drivability, and superior ergonomics for optimal comfort and user-

THE VALUE OF EXCELLENCE

With a Prevest entertainer motorhome conversion, tour managers can send their performers on the road in comfort, luxury and style, on their optimal schedules – a private mobile oasis with everything they need to make the trip relaxing, invigorating and productive. They will arrive rested, refreshed, and ready for another knock-'em-dead performance. No worries about them getting there, either, because Prevest specialty conversions are built to provide incomparable durability and reliability, and our service network is unsurpassed in the industry. For you and your performers, touring in a Prevest is an experience in excellence.

WHEREVER THERE IS, WE'RE THERE FOR YOU

No other North American coach builder provides owners with such a solid and clear commitment to dependability and lasting value, and the strongest service presence in North America.

UNPARALLELED SERVICE

The PrevoSt Parts & Service Network includes seven PrevoSt Parts & Service Centers throughout North America, more than 120 PrevoSt trained and certified Service Providers, Parts Customer Service Centers in the US and Canada, the PrevoSt Action Service System for 24/7 live telephone support, and a North American team of Field Service Managers for urgent response.

THE RED CARPET LEADS TO PREVOST

With our Red Carpet Service Policy, the difference is in the details of your experience. All PrevoSt Parts & Service Centers are designed with your needs in mind. Customer lounges offer amenities such as reading areas, televisions, internet connections, refreshment and more. PrevoSt properties are fenced, with controlled access for the security of our customers' coaches. Other conveniences include overnight parking with electrical and water hookups, sanitary dump stations, and laundry facilities.

A WARRANTY FOR REAL PEACE OF MIND

PrevoSt's comprehensive warranty and Red Carpet Service Policy ensure long-term confidence and peace of mind. Our 24-month, bumper-to-bumper warranty is the most comprehensive in the industry, and PrevoSt's exclusive Gold PASS 24/7 Emergency Roadside Assistance Program handles all OEM warranty processing.

friendliness. No wonder drivers love taking them on the road.

Their directional stability, handling, and quiet, ultra-smooth ride rival the feel of the world's leading luxury automobiles. The Volvo engine's quick response with a fully automatic transmission lets drivers maneuver with precision on winding roads and negotiate tight spots with ease.

QUALITY AND SAFETY

Design and manufacturing expertise result in quality that ensures miles of worry-free

enjoyment and low overall ownership cost. PrevoSt entertainer conversions are designed to withstand the rigors of commercial applications. They combine the lasting performance of integral chassis/body construction with heavy-duty components to ensure optimal safety, durability and longevity.

PrevoSt is an industry leader in safety innovation and adoption. Our advanced systems include the PrevoSt electronic stability program – ESP – and PrevoSt AWARE Adaptive Cruise Braking.

The Ultimate Class For Touring Entertainers

Why Prevest?

The Prevest difference has been developed over more than eight decades of industry leadership, and that difference is evident in every vehicle we build.

IT'S IN OUR ATTITUDE

We believe that Prevest conversions are exclusive and special, and that every one we build must be worthy of its place in The Ultimate Class. We have an uncompromising commitment to quality and innovation, and a dedication to safety and sustainability in every aspect of our business.

Over the years, our inspiration and expertise have kept us on the cutting edge of design and technology. We manufacture integrated chassis and body structures, which provide the strongest, safest and most durable foundations in the industry.

IT'S IN OUR PROCESSES

We are an ISO 9001:2008 registered organization, and embrace its philosophy of continuous improvement.

Prevest conversion vehicles are the benchmark for structural integrity, durability, reliability, safety, environmental care, and driving pleasure.

IT'S IN OUR APPROACH

We believe in the strength of enduring craftsmanship, because we are focused on the lives that our products touch over many years and miles.

Our passion for creating The Ultimate Class begins at the design stage, extends through manufacturing, and culminates in our Prevest Parts and Service Centers.

IT'S IN OUR STANDARDS

We take pride in our relationships with our converter partners. Every vehicle's specifications are developed in collaboration with them and the end customer. Our converter partners are the absolute best in creating custom interiors that perfectly meet the client's specific needs and desires.

IT'S IN OUR PRODUCTS

The result can be a private luxury motorhome; transportation in comfort and style for an entertainer on tour; a mobile marketing vehicle; a mobile clinic; a haven for corporate executive meetings, travel and entertainment; or political campaign transportation.

Whatever the end purpose, Prevest creates the ultimate in specialty vehicles.

At Prevest, superior quality is more than a goal ... it's an expectation
