**PREVOST**

The ultimate class.

## In The Ultimate Class, You Can Enjoy the

### **BUILT FOR YOUR COMFORT AND PEACE OF MIND**

Traveling and living in a Previst is luxuriously comfortable because your Previst motorhome is designed and built to perfectly suit your needs and desires. Everything is meticulously planned and executed, like generous space, isolation from exterior noise, optimal light and temperature control, plenty of storage and cargo space, and a strong, level platform. All this and more is built into a Previst conversion vehicle – the absolute best features to ensure lasting comfort.

### **QUALITY AND SAFETY BEGIN WITH STRONG, DURABLE CONSTRUCTION**

Design and manufacturing expertise result in quality that ensures miles of worry-free enjoyment and low overall ownership cost. Previst conversion coaches are designed to withstand the rigors of commercial applications.

Our integrated chassis provides a structure that is remarkably strong and durable. This robust architecture contributes to the protective safety qualities of the vehicle, and the inherent torsional rigidity enhances

dynamic safety with remarkable levels of handling precision and responsiveness.

Our conversion vehicles combine the lasting performance of integral chassis/body construction with heavy-duty components to ensure optimal safety, durability and longevity.

Previst is an industry leader in safety innovation and adoption. Our advanced systems include the Previst electronic stability program – ESP – and Previst AWARE Adaptive Cruise Braking.

### **A VERY SPECIAL EXPERIENCE**

Previst motorhome owners have earned the privilege of having desirable choices, including traveling in comfort, luxury and style on their own schedules.

This mobile lifestyle celebrates “the best of everything” the world has to offer – anything from a leisurely cross-country tour to a marshmallow roast with children and grandchildren at a favorite campsite. In a Previst motorhome, it is a very special experience.

### **SHARING THE LIFESTYLE**

Previst owners share common interests and lifestyle expectations, so club membership is a natural. Owner groups actively rally at the most prestigious resorts in North America, and all share the same pride in owning a Previst motorhome.

### RELAX, YOU'RE IN A PREVOST

No other North American coach builder provides owners with such a solid and clear commitment to dependability and lasting value, and the strongest service presence in North America.

### UNPARALLELED SERVICE WHEREVER YOU GO

The Prevost Parts & Service Network includes seven Prevost Parts & Service Centers throughout North America, more than 120 Prevost trained and certified Service Providers, Parts Customer Service Centers in the US and Canada, the Prevost Action Service System for 24/7 live telephone support, and a North American team of Field Service Managers for urgent response.

Prevost Parts & Service Center personnel are skilled specialists on the maintenance and repair of all Prevost vehicles, and they keep current on all the technical advances.

### THE RED CARPET LEADS TO PREVOST

With our Red Carpet Service Policy, the difference is in the details of your experience. All Prevost Parts & Service Centers are designed with your needs in mind. Customer lounges offer amenities such as reading areas, televisions, internet connections, refreshment and more. Prevost properties are fenced, with controlled access for the security of our customers' coaches. Other conveniences include overnight parking with electrical and water hookups, sanitary dump stations, and laundry facilities.

### A WARRANTY FOR REAL PEACE OF MIND

Prevost's comprehensive warranty and Red Carpet Service Policy ensure long-term confidence and peace of mind. Our 24-month, bumper-to-bumper warranty is the most comprehensive in the industry, and Prevost's exclusive Gold PASS 24/7 Emergency Roadside Assistance Program handles all OEM warranty processing.

# Best Things in Life...

## ULTIMATE-CLASS DRIVING

Prevost motorcoaches are widely recognized by professionals for their outstanding vehicle dynamics, excellent drivability, and superior ergonomics for optimal comfort and user-friendliness. No wonder drivers love taking them on the road.

The vehicles' directional stability, handling, and quiet, ultra-smooth ride rival the feel of the world's leading luxury automobiles. The Volvo engine's quick response with a fully automatic transmission lets drivers maneuver with precision on winding roads and negotiate tight spots with ease.

## OUR PASSION FOR EXCELLENCE

For more than eight decades, Prevost builders have insisted on the finest workmanship. Our commitment to quality has evolved with the times, and today the passion is as strong as ever. We always have, and always will, do things that others will not or cannot do in our pursuit of excellence. It is ingrained in our processes, methods and ethics at every step from concept to customer, and throughout the service lives of our vehicles.

# Especially the Ones That Are Free.

# Why Prevest?

The Prevest difference has been developed over more than eight decades of industry leadership, and that difference is evident in every vehicle we build.

## IT'S IN OUR ATTITUDE

We believe that Prevest conversions are exclusive and special, and that every one we build must be worthy of its place in The Ultimate Class. We have an uncompromising commitment to quality and innovation, and a dedication to safety and sustainability in every aspect of our business.

Over the years, our inspiration and expertise have kept us on the cutting edge of design and technology. We manufacture integrated chassis and body structures, which provide the strongest, safest and most durable foundations in the industry.

## IT'S IN OUR PROCESSES

We are an ISO 9001:2008 registered organization, and embrace its philosophy of continuous improvement.

Prevest conversion vehicles are the benchmark for structural integrity, durability, reliability, safety, environmental care, and driving pleasure.

## IT'S IN OUR APPROACH

We believe in the strength of enduring craftsmanship, because we are focused on the lives that our products touch over many years and miles.

Our passion for creating The Ultimate Class begins at the design stage, extends through manufacturing, and culminates in our Prevest Parts and Service Centers.

## IT'S IN OUR STANDARDS

We take pride in our relationships with our converter partners. Every vehicle's specifications are developed in collaboration with them and the end customer. Our converter partners are the absolute best in creating custom interiors that perfectly meet the client's specific needs and desires.

## IT'S IN OUR PRODUCTS

The result can be a private luxury motorhome; transportation in comfort and style for an entertainer on tour; a mobile marketing vehicle; a mobile clinic; a haven for corporate executive meetings, travel and entertainment; or political campaign transportation.

Whatever the end purpose, Prevest creates the ultimate in specialty vehicles.

At Prevest, superior quality is more than a goal ... it's an expectation
