

Specialty Conversions

**PREVOST**

The ultimate class.

## Office Mobility in The Ultimate Class ...

### **BUILT THE WAY YOU WANT IT**

Traveling, working and living in a PrevoSt is luxuriously comfortable, relaxing, and productive because a PrevoSt corporate conversion is designed and built to perfectly suit the individual functional needs of the owner. Everything is meticulously planned and executed to your specifications, like generous space, isolation from exterior noise, specialty equipment, optimal light and temperature control, plenty of storage and cargo space,

and a strong, level platform. All this and more is built into a PrevoSt specialty conversion vehicle – the absolute best.

### **MULTI-PURPOSE SPACE**

What is the assignment? If it requires a mobile workplace, a PrevoSt specialty conversion can be designed to fulfill the purpose.

In a PrevoSt production control center, everything from editing equipment to a break room lets the crew function just as if they were back in the studio.

A PrevoSt mobile medical clinic provides space designed to perfectly accommodate the work flow and equipment usage.

A PrevoSt makes a first-class venue for mobile marketing, where there are as many possibilities as there are different products and services to promote.

For on-the-spot management of an event, a crisis situation, a law enforcement operation, or any command-and-control requirement, a PrevoSt mobile command center is perfect for the job.

### **AN EXPERIENCE IN EXCELLENCE**

With a PrevoSt corporate conversion, any requirement can be handled with polish and flair in whatever location is necessary – whether the job is a high-level sales meeting or an entertainment function. The environment for travel and on-site function is comfortable, luxurious and stylish, equipped with all the necessities to make the trip relaxing, invigorating and productive, and the function a no-hitch success. No worries about getting there, either, because PrevoSt specialty conversions are built to provide incomparable durability and reliability, and our service network is unsurpassed in the industry. For your off-site corporate functions, a PrevoSt is an experience in excellence.

### VERSATILITY

A Prevost conversion vehicle can be designed to fulfill a variety of purposes – all of which make life or work on the road a more comfortable, productive, and even pleasant experience.

In addition to corporate coaches for travel and functions, these vehicles can be designed and equipped for state-of-the-art conversions including:

- mobile command centers for crisis management
- mobile medical clinics
- mobile marketing vehicles
- broadcast production
- limo coaches
- sports team transportation
- political campaign transportation

### UNPARALLELED SERVICE

No other North American coach builder holds such a solid commitment to dependability and lasting value, and provides the strongest service presence on the continent.

The Prevost Parts & Service Network includes seven Prevost Parts & Service Centers throughout North America, more than 120 Prevost trained and certified Service Providers, Parts Customer Service Centers in the US and Canada, the Prevost Action Service System for 24/7 live telephone support, and a North American team of Field Service Managers for urgent response.

A Prevost converted for political campaigns provides multi-functional facilities for planning meetings, press briefings, communication operations, event and speech preparation, and the all-important rest and relaxation.

Whatever the task, a Prevost specialty conversion provides a tough, durable and reliable platform, and space that is designed and equipped with everything needed to do the job properly.

**ULTIMATE-CLASS DRIVING**

Prevost motorcoaches are widely recognized by professionals for their outstanding vehicle dynamics, excellent drivability, and superior ergonomics for optimal comfort and user-friendliness. No wonder drivers love taking them on the road.

Their directional stability, handling, and quiet, ultra-smooth ride rival the feel of the

world's leading luxury automobiles. The Volvo engine's quick response with a fully automatic transmission lets drivers maneuver with precision on winding roads and negotiate tight spots with ease.

**QUALITY AND SAFETY**

Design and manufacturing expertise result in quality that ensures miles of worry-free enjoyment and low overall ownership cost. Prevost corporate conversions are designed to withstand the rigors of commercial applications. They combine the lasting performance of integral chassis/body construction with heavy-duty components to ensure optimal durability, longevity and safety. Prevost is an industry leader in safety innovation and adoption. Our advanced systems include the Prevost electronic stability program – ESP – and Prevost AWARE Adaptive Cruise Braking.

**It's Your Position of Strength**

The Ultimate Class For Mobile Workplaces

# Why Prevest?

The Prevest difference has been developed over more than eight decades of industry leadership, and that difference is evident in every vehicle we build.

## IT'S IN OUR ATTITUDE

We believe that Prevest conversions are exclusive and special, and that every one we build must be worthy of its place in The Ultimate Class. We have an uncompromising commitment to quality and innovation, and a dedication to safety and sustainability in every aspect of our business.

Over the years, our inspiration and expertise have kept us on the cutting edge of design and technology. We manufacture integrated chassis and body structures, which provide the strongest, safest and most durable foundations in the industry.

## IT'S IN OUR PROCESSES

We are an ISO 9001:2008 registered organization, and embrace its philosophy of continuous improvement.

Prevest conversion vehicles are the benchmark for structural integrity, durability, reliability, safety, environmental care, and driving pleasure.

## IT'S IN OUR APPROACH

We believe in the strength of enduring craftsmanship, because we are focused on the lives that our products touch over many years and miles.

Our passion for creating The Ultimate Class begins at the design stage, extends through manufacturing, and culminates in our Prevest Parts and Service Centers.

## IT'S IN OUR STANDARDS

We take pride in our relationships with our converter partners. Every vehicle's specifications are developed in collaboration with them and the end customer. Our converter partners are the absolute best in creating custom interiors that perfectly meet the client's specific needs and desires.

## IT'S IN OUR PRODUCTS

The result can be a private luxury motorhome; transportation in comfort and style for an entertainer on tour; a mobile marketing vehicle; a mobile clinic; a haven for corporate executive meetings, travel and entertainment; or political campaign transportation.

Whatever the end purpose, Prevest creates the ultimate in specialty vehicles.

At Prevest, superior quality is more than a goal ... it's an expectation
